

THE PRUDENTIAL SPIRIT OF COMMUNITY AWARDS

February 6, 2018

Peter Dankelson

Libertyville, IL 60048-2417

Dear Peter,

Congratulations! In recognition of your exemplary work in community service, you have been awarded a Certificate of Excellence by the judges in The 2018 Prudential Spirit of Community Awards. This means that your volunteer activities have been judged to be among the top 10 percent of all those considered in your state this year.

We also are delighted to inform you that, based on the number of volunteer hours indicated in your application last fall, you have qualified for the President's Volunteer Service Award!

Your Prudential Spirit of Community Certificate of Excellence, along with the President's Volunteer Service Award certificate and a letter from the president, have been sent to the person who certified your application and submitted it for state-level judging, who will arrange to have them presented to you.

On behalf of Prudential Financial and the National Association of Secondary School Principals, we would like to salute you for your outstanding commitment to community service. Contributions like yours make both our communities and our nation stronger.

It is our hope that you will continue to serve as a positive force in your community, and that your leadership will inspire other young people to follow your example. We thank you for participating in our program.

Sincerely,

John Strangfeld
