Pete's Diary is an independent Chicago rock trio founded by guitarist, Peter Dankelson. Fans of AC/DC, GNR, Van Halen, and Velvet Revolver will enjoy their modern day songs with classic rock influences.

Their All Screwed Up EP released in 2022 followed by their Keep On Rockin' album in 2024. They've supported many national acts, including L.A. Guns, Slaughter, Royal Bliss, Orianthi, Hinder, Jared James Nichols, and TRAPT.

The Pete's Diary name evolved from Peter's medical diary and motivational speaking. Often referred to as "Angus Jr," Dankelson taught himself to play guitar despite hearing loss, disabilities on his fretting hand, and more than 30 reconstructive surgeries to overcome Goldenhar Syndrome. His autobiography, How I Learned to Rock My Life, is an Amazon bestseller.

Dankelson is joined by Mac McRae who doubles on lead vocals and bass and Ryan "Rocky" Johnson on drums.
